About Us:

As a B-School that is on its way to become a premier destination for full-time & fully residential PGDM, we, at Jansons School of Business, strongly believe that innovation and excellence are at the very heart of business education. JSB aims at transforming students into responsible and ethical managers and entrepreneurs. With ample opportunities for experimenting and original thinking, the pulsating presence of Student clubs creates an indelible mark in this journey towards distinction. We allow our students to discover for themselves the splendor of the corporate world through our Executive Interaction Programmes and Career Commencement School modules which result in 100% Placement.

JSB, started in 2002, is an AICTE-approved institution, promoted by Jansons Group, a major business conglomerate in South India with interests ranging from textiles and granites to health care.
